**VAN BEEST B.V. Manufacturer and Supplier of wire rope and chain fittings. Reg. trade marks 'Green Pin' and 'Excel'**

**Van Beest is now full LEEA member !!**

Recently, Van Beest has been audited by LEEA (Lifting Equipment Engineers Association) and has been granted full membership.

LEEA is the leading representative body for all those involved in the lifting industry worldwide.

They are a respected and authoritative representative body for their members, who work in every aspect of the industry; design, manufacture, refurbishment and repair, and also the hire, maintenance and use of lifting equipment. LEEA has over 520 members worldwide.

In addition to providing members with training and expert technical advice, the association works closely with organizations such as the Health and Safety Executive in the preparation of regulations and British, European and International standards.

Van Beest is not only member of LEEA, but also of several other organizations which promote the common interests in our industry. These organizations spread (technical) information via publications, internet and meetings. They also represent their members in various international standard committees.
