

Van Beest launches new website and customer portal!

The new website has been designed to be fast, simple and user-friendly. The update introduces new content and navigation features intended to help our customers to find what they are looking for more easily.

New content includes information about the company and manufacturing process. Customers know our products and our quality already, now they can learn a bit more about how we achieve such a high standard.

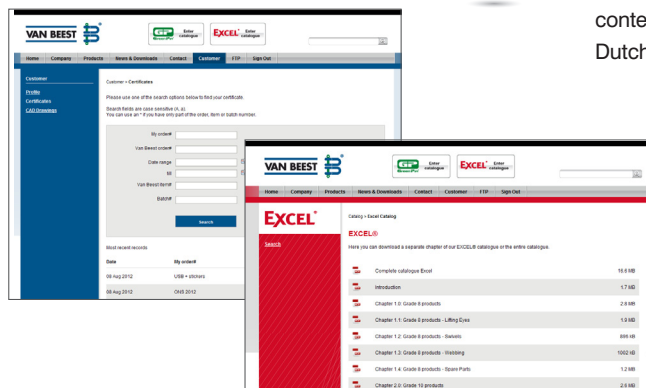

The site also links through the Van Beest Facebook, Twitter, LinkedIn and YouTube accounts where we regularly post news and interesting developments.

In addition, the website now incorporates a customer portal. This provides our customers access to all of their certificates. Registering can be done directly through the website, but if you have questions, please contact us at sales@vanbeest.com

The new website is now online in English only. In the near future we will offer content in 4 languages: Dutch, German, French and Spanish.

VAN BEEST B.V. Manufacturer and Supplier of wire rope and chain fittings. Reg. trade marks 'Green Pin' and 'Excel'
